**Article 1**  
Agreement

AGREEMENT, made and entered into as of the \_\_\_\_\_ day of \_\_\_\_\_, 2006, by and between The City of Nashua, New Hampshire (hereinafter called the "City") and the International Union, United Automobile, Aerospace and Agricultural Implement Workers of America (UAW) and its Local # 2232, United Automobile, Aerospace and Agricultural Implement Workers of America (UAW), Clerical and Technical Unit, (hereinafter called the "Union").

**Article 2**  
Recognition

The City hereby recognizes the Union as the sole and exclusive representative of the clerical and technical employees as certified by the PELRB of New Hampshire as per Appendix A.

The City agrees that it will not discriminate against, intimidate, or coerce any employee in the exercise of their rights to bargain collectively through the Union on account of membership in or activities on behalf of the Union. The City agrees that it will deal with the Union for the purposes of bargaining with respect to wages, hours of duty and working conditions of members of the Bargaining Unit.

Should there be a dispute between an employee and the Union over the matter of an employee's Union membership, the Union agrees to hold the City harmless in any such dispute.

**Article 3**  
Discrimination

It is agreed that the City will not discriminate on the basis of sex, race, color, national origin, religion, lawful political or employee's organization affiliation, age, marital status, sexual preference, or non-disqualifying disability, or on any basis prohibited by law.

**Article 4**  
Union Dues

An employee, who is a member of the Union, may execute a written authorization providing that a portion of their salary representing monthly dues be withheld weekly and forwarded to the Union. Upon receiving a properly executed Authorization and Assignment Form from an employee, the Local 2232 shall notify the Human Resources/Payroll Department to deduct from salary due, the amount authorized, and a copy of said form acceptable to Human Resources Department shall be furnished thereto in advance of said deduction. A copy of said form is attached as Appendix B.

Each month, a check for the amount of all dues deducted, along with a current list of members from whose salary dues deductions have been made, shall be transmitted to the Treasurer of the Union.

An employee who executes such authorization form shall continue to have such deductions made from their salary during the term the Agreement or until the Human Resource/Payroll Department, with a copy to the Union, are notified that the Authorization and Assessment Form is being revoked, and the employee thus redraws the authority for the deduction of dues. Dues deductions shall be made without cost to the employee or the Union.

Dues deductions shall be subordinate to deductions required by law and other deductions. No deductions shall be made if an employee has insufficient salary in any pay period. The City of Nashua shall not be responsible for deducting any arrearage in dues owed to the Union by a member, or any special or other assessment by the Union, with the exception of the deduction of initiations fees if expressly authorized on the form noted above.

Deductions shall automatically terminate upon the occurrence of any of the following events:

1. Termination of employment;
2. Transfer out of the bargaining unit;
3. Lay-off;
4. Revocation by the employee of Dues Authorization.

The Unit shall indemnify and save harmless The City of Nashua in and on account of any and all claims, suits and damages arising out of, or in relation to, such dues deductions.

#### **Article 4A**

##### **Agency Fee**

An employee who elects not to pay Union Dues shall pay an agency fee for services rendered by the Union commensurate with the employee's fair share apportionment for the cost of collective bargaining, contract administration, and grievance adjustment. The City agrees to collect agency fees in the same method and manner as the collection of Union dues.

**Article 9**  
Overtime

Overtime may be required of all employees. Compensation therefore shall be paid as required by the Fair Labor Standard Act and other pertinent law. Nonexempt employees called in from home to work shall receive a minimum of three (3) hours pay therefore at the applicable rate. Employees who are "on call" or subject to the provisions of a written procedure established by management requiring periodic work outside their regularly scheduled hours shall be paid any additional pay provided for in such procedures.

For any employee in the Public Works Division, time and one half the employee's regular hourly pay shall be paid for work assigned and performed in excess of eight (8) hours in a work day, or in excess of forty (40) hours in a work week. Paid Earned Time, paid holidays, military active duty for training, jury duty, bereavement leave, or other excusable reasons of similar urgency, shall be considered as time worked for the purpose of computing overtime pay.

When Park Department foremen go on permanent night shift assignment, all overtime for these employees in the Park Department will be based on the premium rate of pay (base pay plus shift differential) for all overtime work performed.

Overtime shall be allocated within a department on a rotating basis starting with the most senior qualified employee. The next round of overtime shall begin with the next senior employee not previously contacted for overtime. Once the list is at the bottom (least senior employee) the list will

1 start again with the most senior. All qualified bargaining unit members in the division shall be  
2 offered overtime before members of other units.

3  
4 Notwithstanding the foregoing, overtime in emergency situations shall be assigned as determined by  
5 management in order to best address the emergency. In this event, employees required to work  
6 overtime for the emergency will be skipped over the next time they would be eligible for non-  
7 emergency overtime.

8  
9 For the purposes of this section, seniority shall be calculated on the same basis as Job Posting/Lay-  
10 offs and Recall.

11  
12 The City and the Union will jointly maintain an updated overtime rotation list. The Union will  
13 provide the City with any changes in contact information. These changes will be made to the list as  
14 soon as they are received from the Union. Any errors in allocating overtime will be corrected  
15 immediately by placing the missed individual at the top of the overtime list and giving him or her the  
16 next overtime opportunity. This subsequent opportunity will be offered for the same number of  
17 hours as the missed opportunity. The employee's original position on the overtime list will not  
18 change with this action. Corrections of errors in allocating overtime shall be handled in this manner  
19 not more than once per individual employee per fiscal year.

20  
21 Employees who agree to be "on call" shall be compensated one (1) hour of overtime rate (time and a  
22 half) per day. The employee will be issued a pager and respond to it if paged.

23  
24 Overtime opportunities for street foremen shall be as follows:

25 List A: Street Foremen

26 List B: Other Street Department Foremen

27 List C: Other qualified UAW employees in the Street Department

28 List D: Park Department Foremen

29 List E: All other qualified UAW employees

30  
31 Snow overtime opportunities for street foremen shall be as follows:

32 List A: Street Foremen

33 List B: Other Street Department Foremen

34 List C: Other Snow Route Foremen, not in the Street Department

35 List D: Other qualified UAW employees in the Street Department

36 List E: Park Department Foremen

37 List F: All other qualified UAW employees

38  
39 In the event that no one volunteers for duties relative to snow operations, any new UAW employee  
40 hired or promoted on or after June 2, 2003 is required to be available for snow-related overtime and  
41 will be assigned by reverse seniority on a rotating basis.

42  
43 Anyone who is on Earned Time Leave or who is under medical restrictions or who has reasonable  
44 justification for not being available shall not be required to accept overtime assignments.

1  
2 The City shall provide the Union with the qualifications necessary to assume, on a temporary basis,  
3 the duties of a snow route foreman, and once an employee has been determined to have these  
4 qualifications, the employee shall be included in List F.

5  
6 The City shall provide any necessary training to allow employees to become qualified for these  
7 snow operations.

8  
9 **Article 10**  
10 **Seniority**

11  
12 Seniority shall be defined as the continuous length of service with the City of Nashua. For the  
13 purpose of Lay-offs, Recall and Job Postings seniority shall be in accordance with the following:

14  
15 **Three points [3]** shall be awarded for each completed year an employee works in a specific  
16 department.

17  
18 **Two points [2]** shall be awarded for each completed year an employee works in a specific division,  
19 and out of the department.

20  
21 **One point [1]** shall be awarded for each completed year an employee works for the City and out of  
22 the division, and out of the department.

23  
24 Seniority shall be based on the total number of points an employee has accumulated.

25  
26 For an example an employee with eleven years with the City in continuous service, and as follows:

27  
28           department                      division                      city  
29                 5                                 3                                 3

30  
31           would have 24 points  $[5 \times 3 + 3 \times 2 + 3 \times 1]$ .

32  
33 The City shall furnish the Union Chairperson with an up-to-date Seniority List on a quarterly basis.  
34 The City will also furnish the names of all new hires, promotions, layoffs and terminations on a  
35 weekly basis.

1  
2 Seniority shall be broken for the following reasons:  
3

- 4 a) If the employee quits or retires.  
5  
6 b) If the employee is discharged for just cause.  
7  
8 c) If the employee is laid off for a period of time greater than two (2) years.  
9

10 Until an employee has served the probationary period, the employee has no seniority status and may  
11 be discharged or laid off without cause. Upon successful completion of the probationary period,  
12 seniority will accrue retroactively to the date of hire.  
13

14 The employee shall accumulate seniority while on an authorized leave of absence.  
15

16  
17 **Article 11**  
18 **Grievance Procedure**  
19

20 In the event that differences arise with respect to any provision of this Agreement, an earnest effort  
21 shall be made to settle such differences promptly in the following order and manner:  
22

23 **Step I** An employee shall present an oral grievance with or without the assistance of the  
24 Union to the employee's immediate supervisor. The supervisor shall respond to the  
25 grievance within five (5) working days. If the grievance is not settled at this step, the  
26 grievance may proceed to the next step. The employee will be paid at the employee's  
27 regular rate of pay for time spent presenting the oral grievance, if during work hours.  
28 Any resolution of the grievance shall not be inconsistent with the terms of this  
29 agreement. The Union shall be notified of the resolution of the grievance.  
30

31 **Step II** The grievance shall be set forth in writing on the form as provided in Appendix C.  
32  
33 The grievance must be signed by the aggrieved employee and Union Representative,  
34 and presented to the employee's Department Head within five (5) working days after  
35 receipt of the supervisor's decision in step I.  
36

37 The Department Head will be given five (5) working days after the receipt of the  
38 grievance to have a meeting with the aggrieved party and communicate a decision in  
39 writing to the Union. If the grievance is not settled to the satisfaction of the employee  
40 and the Union, or if no reply is communicated after the five (5) working days, the  
41 grievance may proceed to Step III.  
42

43 **Step III** The Union will inform the Division Director and Human Resources Manager of the  
44 grievance, in writing and within five (5) working days of the Department Head's  
45

1 decision or lack thereof. The Union shall provide the Division Director and Human  
2 Resources Manager with copies of all prior communications. The Division Director  
3 and/or the Human Resources Manager will be given ten (10) working days to jointly  
4 meet with the union representative and communicate a written decision to the Union.  
5 If the grievance is not settled to the satisfaction of the employee and the Union, or if  
6 no reply has been communicated after the ten (10) working days, the grievance may  
7 proceed to Step IV for positions governed by an established Board of Commissioners  
8 (Fire, BPW, etc.) and to Step V for all others.  
9

10 **Step IV** The Union will inform the Board of Commissioners of the grievance, in writing and

43 within the time specified shall permit an appeal of the grievance to the next step. Failure at any step

1 of this procedure to appeal a grievance to the next step within the specified time limits shall be

42 The City will continue to offer a deferred compensation plan to all employees covered under this  
43 contract during the term hereof so long as it is authorized to do so in the present manner under the

7 **Mileage Reimbursement**  
8

9 **Use of City owned vehicles**

10 If you are assigned a City-owned vehicle and are allowed to take the vehicle home at night and on  
11 weekends, the Internal Revenue Service has ruled that the personal use of the city owned vehicle,  
12 that is commuting back and forth to work and any other non-work use, is subject to federal  
13 withholding and social security tax, where applicable. This rule does not apply to emergency  
14 vehicles specifically police and fire vehicles.  
15

16 The deductions therefore will be made weekly, based on an annual evaluation of the value of the  
17 personal use of the vehicle. The personal use value shall be as required by the Internal Revenue  
18 Code and Regulations.  
19

20 The multiplier used to determine the employees deduction shall be the current Internal Revenue  
21 Service mileage reimbursement rate.  
22

23 **Fixed mileage reimbursement**

24 If by nature of your job description you are required to use your privately owned vehicle the  
25 following reimbursement schedule shall be implemented.  
26

39 below those stated in the above schedule.  
40

41 Building and Utilities Inspectors shall include the Assistant Building Inspector(s), but only when  
42 they are required to perform inspections. The amount shall be prorated on a daily basis, for the  
43 number of days when they are required to perform inspections.  
44

1  
2  
3  
4 Employees who are currently covered under the above payment schedule, and who have worked and  
5 been paid overtime, may submit mileage reimbursement in accordance with the IRS reimbursement  
6 rate for the overtime hours.

10 so through June 30, 2008.  
11

12 Employees on an unpaid leave, out on long term disability, or on Earned Time Leave for more than  
13 ten consecutive days will not receive mileage reimbursement for the month(s) missed and will  
14 receive prorated reimbursement for months partially attended.

In the event that an employee has not completed a satisfactory evaluation on June 30 of a fiscal year, the supervisor may, at his or her discretion, extend the employee's evaluation period for a period not to exceed 3 months. At the completion of that period, the supervisor will conduct an evaluation to determine if the employee has completed the goals for which he or she is being evaluated. If the employee then receives a satisfactory evaluation, he or she will be eligible to receive the step raise.

**Article 41**  
**Earned Time**

**Generally:**

Earned Time is an alternative approach to the traditional manner of covering absence for vacation, personal leave days, sick leave, and other types of leave. Instead of dividing benefits into a specific number of days for each benefit, earned time amalgamates these days, into a single benefit. Earned Time can be used for a variety of purposes including a payment in cash at the time of termination, but only as provided in this Article. Earned Time is accrued for any month in which an employee has been employed at least fifteen (15) calendar days, beginning the first day of any month. Paid leave and absences for jury or military reserve duty are considered time worked for Earned Time accrual purposes. While an employee will earn Earned Time days during his or her probationary period, he or she cannot take Earned Time until they have completed ninety (90) calendar days of employment with the City. If an employee leaves City employment before they have worked ninety (90) days, they will not be paid for any accrued Earned Time.

**Coverage:**

Employees who are employed in a position at least (20) hours per week are eligible to earn Earned Time. Part time employees, those working less than 40 hours, accrue earned time on a pro-rated basis. The accrual rates for full time employees are as follows:

Years of Service	Days Accrued per Month	Total Annual Days
less than 5 years	2.25	27.0
5 to less than 10 years	2.50	30.0
10 to less than 15 years	3.00	36.0
15 years to less than 20 years	3.25	39.0
20 or more years	3.50	42.0
30 or more years	3.75	45.0

Years of service means continuous length of service with the City in accordance with Article 10, Seniority.

**Breaks in Service:**

In the event of reemployment after a break in service, as defined in Article 10, not exceeding 2 years, the employee shall accrue earned time as if that break in service had not occurred.

**Usage:**

1 All use of earned time shall be arranged in advance by the employee, and approved by his/her  
2 supervisor prior to the date of absence, except as provided in this paragraph. Earned Time  
3 days/hours may be used after being accrued. Earned Time is ordinarily used at the rate of one day  
4 of Earned Time for each day of absence. Employees presenting a request to use earned time less  
5 than 18 hours before the earned time use is to begin shall use earned time at the rate of 1 1/4 days of  
6 earned time for each day of absence. This special rule will not apply to the first seven (7)  
7 occurrences in any calendar year. Earned time shall be used in increments of hours under the FLSA.  
8 An occurrence shall be defined as the use of two (2) or more hours of Earned Time without the 18  
9 hour prior notification. Notification may take place in person or via email or voice mail.

10  
11 **Termination of Employment:**

12 In the event of termination of employment, 50% of the terminated employee's earned time balance  
13 will be paid to him/her. In the event of termination due to layoff, 100% of the terminated employee's  
14 earned time balance will be paid to him/her. The employee may elect to defer payment for up to two  
15 years in anticipation of possible recall.

16  
17 **Retirement:**

18 One hundred percent (100%) of any employee's unused Earned Time balance will be paid at  
19 retirement. "Retirement" shall be defined by the New Hampshire Retirement System or by  
20 Ordinance pertinent to the Board of Public Works Retirement System, as may be appropriate.

21  
22 **Maximum Accruals:**

23 Earned Time accumulation shall not exceed sixty (60) days and total Earned Time days and Sick  
24 Leave Pool days combined shall not exceed one hundred forty-four (144) days in the aggregate.  
25 Balance in excess of these accruals shall be lost.

26  
27 **Staffing Considerations:**

28 The parties expressly agree that all leave usage shall be effected in a manner consistent with the  
29 staffing and operational needs of the City so that services are efficiently provided to the Nashua  
30 Community. The parties agree to work cooperatively to achieve this goal. Abuse of the benefits  
31 conferred in these articles may be grounds for discipline.

32  
33 **Article 42**

34 **Individualized Sick Leave Pools**

35  
36  
37 **Generally:**

38 The sick leave pool is intended to provide security by allowing each employee to provide for  
39 extended illness, or other disability of the employee, or for the care of a sick family member,  
40 consisting of the following: employee's spouse, children, brother, sister, parents, or grandparents.  
41 The term spouse shall include domestic partner. When acquiring Pool days, employees convert  
42 Earned Time days on a one to one and one half (1 to 1 1/2) Sick Pool days basis. The employee may  
43 pick a given number of Earned Time days to exchange for Sick Pool days. This conversion is

1 available annually in the employee's anniversary month. All Sick Pool conversion and usages is  
2 governed by this Article.

3  
4 Sick Pool days are available for use only under the conditions listed below:

- 5  
6 1. Use of Sick Pool days must begin on or after the fifth consecutive work day  
7 absence caused by illness, injury, or other disability certified in writing to the  
8 City by a physician.
- 9  
10 2. The employee may continue using Sick Pool days until Sick Pool balance is  
11 zero at which point the employee may elect to use any remaining Earned  
12 Time.
- 13  
14 3. Care of chronically ill relative or friend, or maternity/paternity leave, but  
15 only if the need for such leave is documented by a physician to the  
16 satisfaction of the City.
- 17  
18 4. Doctor's reports may be required by the City at any time. Sick Pool leave  
19 may be denied by the City in the event that physician's certifications are not  
20 provided by the employee in accordance with this Article.

21  
22 **Maximum Balances:**

23 No employee's Sick Pool balance shall exceed forty (40) days. A balance of up to ninety (90) days  
24 may result from initial conversion by employees of the City so employed on the date of execution of  
25 this agreement. No additional Earned Time days may be added or converted to the Individualized  
26 Sick Pool Leave until balance of that account is below 38.5 days.

27  
28 **Retirement:**

29 Employees retiring from the City service shall be paid at their current straight time or salary rate for  
30 their Sick Pool balances, but shall not be paid therefore in the event of termination or resignation.

43 shall be formed to evaluate various safety issues and concerns. One safety committee shall consist  
44 of UAW Department of Public Works Employees and other UAW employees who perform

1 significant work outside of City offices. The other safety committee shall consist of UAW

8

9 There shall be a total of twenty (20) days of unpaid Union Business Leave per fiscal year for each  
10 UAW unit, which may be used by employees for participating in Union activities. Requests for  
11 leave must be made by the individual to the supervisor, with the Union's approval, reasonably in  
12 advance of the use of the Union Business Leave to allow for appropriate coverage of operations.  
13 The City shall have the right to deny requests for Union Business Leave in the event granting such  
14 leave would result in an adverse impact on operations, however, such requests shall not be  
15 unreasonably denied.

## SETTLEMENT AGREEMENT

The City of Nashua, UAW, and AFSCME settle PELRB Case Nos. A-0410-78 and M-0640-7 as follows:

1. The UAW agrees that internal job postings of supervisory or administrative positions in UAW-represented bargaining units will be first communicated to all UAW and AFSCME bargaining unit employees. The job postings will be distributed to every department and posted on the City's bulletin boards for five working days to allow qualified eligible employees to apply. If after the posting of the notice, no qualified employee has applied, the job posting shall be posted externally in accordance with Human Resource Department requirements.

It is understood that under AFSCME's collective bargaining agreement with regard to promotions to supervisory or administrative positions, the language in its 2002-2006 agreement and any successor agreement shall continue to limit AFSCME to grieving only issues of City notice and consideration for the posting and not the City's employee selection.

It is further understood that under UAW's collective bargaining agreement with regard to Article 12, Job Posting/Lay-Offs/Recall, the language in any successor agreement shall incorporate the understanding set forth in this paragraph and no further negotiation shall be required of the UAW by the City on internal postings.

2. All remaining portions of each party's collective bargaining agreement shall remain in full force and effect unless otherwise negotiated by the respective Union and Employer.
3. The City agrees that with regard to vacant or newly created merit positions, a notice of position vacancy shall be communicated to all merit and UAW bargaining unit employees before notice is communicated to other City or external candidates. Such first notice shall be distributed to every department and posted on the City's bulletin boards for five working days to allow qualified eligible UAW bargaining unit employees to apply. If after the posting of the notice no qualified UAW bargaining unit member has applied, the notice of vacancy shall be posted externally in accordance with the Human Resource Department requirements.
4. With the signing of this agreement, the parties agree to withdraw their pending charges in Case Nos. A-0410-78 and M-0640-7
